

DUIKERSDRIFT DELI

RUSTIC & RURAL MENU

Please note that the items on this menu are in no way of lesser quality than our standard menu items (in fact some are the same) but are rather designed to offer convenience, especially for families and people on the go.

Items from this menu can be added to a selection of premier cheese and cured meat options and other artisanal products from the Deli for a bespoke picnic experience on the property or as a take-away meal.
